

## *Club Membership Package*

**About us:** The Raleigh Walkers is a community based organization that seeks to offer fitness and fun through walking as exercise. Everyone is encouraged to join.

**What we offer:** Practices and clinics are held year round throughout the Raleigh area, utilizing many miles of trails in parks & greenways and local track facilities. Comprehensive training and fitness plans are available, based upon interest.

**Our mission:** To foster a love of walking and increase the health and fitness level of the entire membership while encouraging more participation in the event of race walking, both recreationally and competitively in North Carolina and the United States.

**Annual costs:** Individual Membership in the Raleigh Walkers costs \$50 a year. Family options are available, too. This is to cover basic administration and organizational expenses. The idea is to keep it inexpensive and encourage everyone to become a member. If you plan on attending practices, races, clinics, etc., you are required to be a member of USA Track & Field so that you have insurance through the sport's national governing body. This costs \$20 for youth & \$30 for adults annually. There are a ton of benefits that come along with this membership, in addition to practice insurance, that make the membership pay for itself. All memberships expire at the end of each calendar year.

**Uniforms:** Official Team Gear is available for purchase several times a year. If you are planning on racing, or just want to display your team pride while practicing, contact me for details on available items and pricing.

**Website:** Our website, [www.raleighwalkers.com](http://www.raleighwalkers.com), offers information about everything that we do during the year and we are constantly adding content to serve the needs and interests of the members.

*Club Membership Application*

**Application Received:** \_\_\_\_\_

**Name:** \_\_\_\_\_

**Address:** \_\_\_\_\_

**City/Town:** \_\_\_\_\_
